

LEBANON – COUNTRYSIDE YMCA TRAIL TRAIL MAINTENANCE PROCEDURES

The following is an outline of the inspection and maintenance program for the Lebanon-Countryside YMCA Trail. The Public Works Department shall be responsible for the implementation of this program:

- Mowing shall be performed regularly to a minimum of 5' off of the edge of pavement. Open areas shall be mowed on a monthly basis.
- Fences, sign posts, etc. shall be sprayed to prevent weed growth on an annual basis.
- The street sweeper shall service the trail on a monthly basis between the months of March through November.
- The trail, including signage, shall be inspected on a bi-monthly basis and all maintenance issues shall be noted and subsequently addressed.
- The Trail will not be de-iced or cleared of snow during the winter months.
